A California Couple Built This Portable 'Tiny House' For \$30,000 [PHOTOS]

Megan Willett-Wei Mar 31, 2014, 8:06 PM

Last year, 31-year-old Alek Lisefski was inspired to try to live a simpler, more sustainable lifestyle. So the Web designer built a tiny house for himself, his girlfriend Anjali, and their dog, Anya, on an 8-by-12-foot flatbed trailer.
